ANALYSIS

Balouo Salo board

The analyzes are carried out objectively, respecting the principles of impartiality, neutrality and priorities.

MONITORING

Project manager

Activities are monitored throughout the development process to determine compliance with the principles and make any corrections.

EVALUATION

Balouo Salo board

An objective check and evaluation is provided on all parameters to determine intervention intervention and correspondence with CDBS.

THE 13 PRINCIPLES OF ETHIC CODE BALOUO SALO

WE WANT TO CREATE SOLIDARITY

01

02

03

04

05

06

07

08

09

10

11

12

13

01

Balouo Salo wants to spread and affirm the culture of solidarity through information and awareness by ensuring respect for every human being and generating solidarity and friendship between peoples and cultures.

SOLIDARITY

01

02

03

04

05

06

07

08

09

10

11

12

13

Balouo Salo activities do not interfere directly and indirectly with political, racial, religious, ideological or political hostilities and controversies, dissociating themselves from any political and religious activity, therefore acting in a neutral way.

02

NEUTRALITY

IMPARTIALITY

01

02

03

04

05

06

07

08

09

10

11

12

13

03

Humanitarian actions are taken on the basis of the need of the most urgent cases without any distinction or influence of nationality, race, gender, religion and political opinion, therefore evaluating a hierarchy of possible interventions and determining the best possible implementation strategies.

COOPERATION

04

Balouo Salo involves local institutions, communities, associations and organizations to analyze problems, identify more solutions adequate in respect of the cultures, customs and customs of the beneficiaries. It involves the direct beneficiaries through training and awareness raising activities by creating transversal cooperation systems for project management in order to create independence and managerial freedom based on simple and effective methods

RISPECT FOR CULTURES AND DIVERSITY

12

Local cultures are honored and respected, promoting dialogue and promoting the rights and dignity of the person, as required by the United Nations Universal Declaration of Human Rights. Traditions and differences are valued and protected in the belief that this is a fundamental condition for the progress of society, and that these differences are the wealth of our planet.
